**15** Employees Bouygues

**900** Number of volunteering hours

### PARTNERS

**0** Beneficiaries:

Young people

**0** Charities/ NGO

**2** Partners **Commission For Poverty and schools**

Public

## DESCRIPTION

## RESULTS

The HK Government "Commission For Poverty" has initiated in 2016 a mentoring programme named "Life Buddies" to provide students aged 14-16 years old, mentoring from Government Departments and private corporation such as dragages HK. A school is assigned to us every year, and we organise around 15 volunteers as mentors. Activities are organised mainly at school, but includes a visit of the workplace. This is our third year of engagement.

For the last 2 years, and this year being the third one, in average 30 teenager students are beneficiating from mentoring activities with about 8 sessions of half day per year, in their school and in our office.
